

Athletic Training Room Guidelines

1. The Athletic Training Room shall be maintained in a clean, orderly manner.
2. It is recommended the following school personnel have access to an Athletic Training Room key, as needed:
 - Athletic Director
 - Assistant Athletic Director
 - Athletic Trainer
 - Night Game Manager
 - Assistant Game Manager
3. The Athletic Training Room shall be locked or supervised by the athletic trainer or persons approved by the principal and his or her designee.
4. Schools shall develop a means so that the Athletic Training Room may be accessed in the event of any emergency.
5. The athletic trainer will monitor inventory and issue medical supplies to stipend coaches as approved by the athletic director.
6. Coaches will collaborate with the athletic trainer to identify student-athletes utilizing EpiPens and inhalers to ensure appropriate access, either in the medical kit or athletic training room.
