Which Summer Learning Opportunity is Best for Me?

I want to take a course for **RECOVERY CREDIT**, or to **INCREASE MY GRADE** in a course.

I prefer to be **IN A CLASSROOM**, learning from a teacher **FACE-TO-FACE**.

**Regional Summer School**

**WITH TRADITIONAL, TEACHER-DIRECTED CLASSROOMS.** Classes meet for about 5 hours a day for about 3 weeks.

I want to take a course for original credit **(FOR THE FIRST TIME)**

I prefer to **WORK AT MY OWN PACE**, and I **DON’T REQUIRE MUCH FACE-TO-FACE INTERACTION** to be successful.

**Summer OPTG or eLearning**

with blended classrooms and **CONTENT PRIMARILY DELIVERED DIGITALLY.** Students meet with teachers intermittently throughout the summer and largely work at their own pace.
General Information

ACCOMMODATIONS
On the first day of class, parents and/or legal guardians should provide the summer school site administrator with a copy of the accommodations included on the student’s Individualized Education Program (IEP) or 504 Plan (if applicable). A special educator will be on site.

ATTENDANCE
The highly concentrated programs offered in the high school summer school sessions make full-time attendance necessary. Explanatory notes from parents are required for absences and tardies, and all cases are subject to verification by the summer school site office. Students having more than two absences or six tardies will be withdrawn and no credit, no grade, and no refund will be given.

CANCELLATION OF COURSES
Classes that do not meet enrollment requirements will be cancelled. Students will be notified if their class is cancelled and given the opportunity to switch to another class and/or location or request a refund.

CLEARANCE
All fees must be paid and all books and materials loaned to students for the summer session must be returned to the appropriate teachers.

DISCIPLINE
Students are expected to comply with all rules and regulations of MCPS and their summer school site. A student who is suspended for more than two days will be withdrawn from the program. The summer school program is accelerated and a student who misses more than two days would be impacted educationally and would have difficulty passing the class. No refunds will be made if a student is suspended or expelled from summer school.

ELIGIBLE STUDENT
The high school summer school is for students who are presently enrolled in Grades 9–12. Students who have completed Grade 8 may take courses for original credit through the eLearning or SOPTG programs. Grade 8 students who need to recover credit from a middle school Geometry or Algebra course can do so through eLearning or traditional summer school.

INTERIMS
Interims will be distributed to all students:
- Session 1—July 3, 2019
- Session 2—July 24, 2019

GRADUATION INFORMATION
Graduation information packets, including forms, are available from the summer school site secretary. MCPS students planning to graduate upon successful completion of summer school need to submit selected forms to the summer school site secretary no later than Thursday, July 25, 2019.

- Mandatory Rehearsal:
  Tuesday, August 6, 2019, at Gaithersburg High School auditorium, 2:00 p.m.
- Graduation:

In case of inclement weather resulting in school closures, the school day may be extended by up to 1.5 hours. Emergency weather-related messages will be announced (as during the school year,) via television and radio stations and the MCPS website.

MEDICAL INFORMATION
Please Note: Notify the summer school site of any important medical information pertaining to the student.

MCPS mandated progress checks will be administered at designated times each session.

REFUNDS
The deadlines to request a refund:
- Session 1: Friday, June 28, 2019
- Session 2: Monday, July 22, 2019

MCPS NONDISCRIMINATION STATEMENT

Montgomery County Public Schools (MCPS) prohibits illegal discrimination based on race, ethnicity, color, ancestry, national origin, religion, immigration status, sex, gender, gender identity, gender expression, sexual orientation, family/parental status, marital status, age, physical or mental disability, poverty and socioeconomic status, language, or other legally or constitutionally protected attributes or affiliations. Discrimination undermines our community’s long-standing efforts to create, foster, and promote equity, inclusion, and acceptance for all. Some examples of discrimination include acts of hate, violence, insensitivity, harassment, bullying, disrespect, or retaliation. For more information, please review Montgomery County Board of Education Policy ACA, Nondiscrimination, Equity, and Cultural Proficiency. This Policy affirms the Board’s belief that each and every student matters, and in particular, that educational outcomes should never be predictable by any individual’s actual or perceived personal characteristics. The Policy also recognizes that equity requires proactive steps to identify and redress implicit biases, practices that have an unjustified disparate impact, and structural and institutional barriers that impede equality of educational or employment opportunities.
