Roger Jenkins, senior manager, Midcounty

Joseph Likambi, senior manager, Upcounty

Sean Yarup, senior manager, Downcounty

Under the directorship of Veronica Hill, the Division of Maintenance and Operations functions collaboratively to sustain high-quality learning environments for the Montgomery County Public School District of Maryland. The division supports student success by providing general maintenance (HVAC, plumbing, carpentry, electrical, grounds care and waste removal), repair of MCPS facilities and the equipment located therein, preventive maintenance of systems, training for site-based building services teams, and support for the operational needs of MCPS schools. Our goals are always centered around exceeding customer expectations, fostering long-term relationships, establishing a highly-skilled workforce, and building recognition as leaders in the K-12 industry. Whatever your facility requires, we're here to serve your needs. Quality service and support are just a work order away!
