

# WELCOME BACK TO SCHOOL

The School Energy and Recycling Team (SERT) program has a wealth of resources and information available to schools. Make sure to visit our website often to find out more about how you can conserve energy and water, and increase recycling participation at your school. Our team is excited about the new school year and we're ready to serve you! Click on the icons for more details or staff names for direct email links.

## Watts Up? Poster Contest

All students are invited to create posters that showcase their school's efforts in energy/water conservation and recycling. Selected winning entries are used in MCPS and local government promotional campaigns.

## Conservation Posters

Energy/water conservation and recycling posters are available on our website. Download and print them yourself or order beautiful full-sized posters from us.

## Lead By Example Campaign

All secondary schools are invited to participate in this effort to reinforce a culture of conservation and sustainability. Document your conservation practices and your school may be a winner!

## Outreach

Use the Outreach Request Form to invite SERT staff to your school for assemblies, "Lunch & Learn" and "Read Aloud" activities, and interesting interactive demonstrations.

## Recycling Resources

Check out our website to learn what can/can't be recycled, get helpful hints, and see how much your school recycles each month. Also view your school's recycling pickup schedule. Order recycling bins, posters and labels via Maximo.

## SERT Staff

Richard Benjamin, Program Manager  
Helen Blankfeld, Information Specialist  
Terina Garcia, Facilitator  
Linda McLaughlin, Communications Specialist  
John Meyer, Recycling Manager  
Giancarlo Rodriguez, Facilitator  
Yusuf Umar, Recycling Technician

IT'S YOUR WORLD. CHOOSE TO CONSERVE!
