

Mailing 150 pieces or more? Go BULK mail!

(And save a LOT of Benjamins!)

Bulk rate (non-profit rate) mailing is **FREE** to your school, and generally travels through the postal system as fast as first class mail. Schools are **strongly encouraged** to use bulk (non-profit) mail whenever possible.

PREPARE YOUR NON-PROFIT MAIL AS BELOW and PUT IT IN THE PONY—we will do the rest!

NEW! Pre-printed envelopes with your school's info and the bulk rate postage mark (indicia) are available through [EGPS](#). (Note that a postage stamp can be placed over the top of an indicia imprint so that you can also use the pre-printed envelopes for regular mail.)

Requirements for Bulk (non-profit) Rate:

- Mailing must contain 150 pieces or more.
- Mailing pieces must be identical. You may vary some text on first page (e.g., “Dear 6th Grade Parent,” “Dear 7th Grade Parent,” etc.).
- All pieces must be the same size and weight. (Maximum weight per piece is 15.9 ounces and the size must be 3-1/2 x 5 inches or larger.)
- Pieces must be “postcard thickness” or thicker (.007 inches or thicker).
- **Indicia (postage mark) for SUBURBAN, MD must be printed on the envelope.** (See Figure 1 below.)
- **Envelopes must be sealed.** Folded paper mail pieces must be closed with sticky tabs (warehouse item #0721380) or tape, placed as shown in Figure 2. **No staples may be used.**

Addressing

- Because MCPS is the permit holder, the MCPS name must appear with your school name and address in the return address position.
- The mailing address must be placed to the RIGHT of CENTER, as shown in Figure 3.
- Pieces must have the permit imprint (indicia) in the upper right-hand corner.
