Authorization for Criminal History Record Information

I _____ (print full legal name), the undersigned, do hereby authorize the Montgomery County Public Schools (MCPS) to procure Criminal History Record Information (CHRI) from the State of Maryland and/or the Federal Bureau of Investigation (FBI).

I further authorize any person, business, business entity, or governmental agency who may have information regarding my CHRI to disclose the same to MCPS, regardless of whether such person, business, business entity, or governmental agency compiled the information itself or received it from another source.

Finally, I understand that I have the opportunity to complete or challenge the accuracy of the FBI's CHRI, as set for in Title 28, Code of Federal Regulations, §16.34. I acknowledge that a copy of the procedures for obtaining a change, correction, or update was provided to me at the time of signing this authorization.

AGENCY PRIVACY REQUIREMENTS FOR NONCRIMINAL JUSTICE APPLICANTS

Authorized governmental and non-governmental agencies/officials that conduct a national fingerprint-based criminal history record check on an applicant for a noncriminal justice purpose (such as employment or a license, immigration or naturalization matter, security clearance, or adoption) are obligated to ensure the applicant is provided certain notices and that the results of the check are handled in a manner that protects the applicant's privacy. All notices must be provided in writing.¹ These obligations are pursuant to the Privacy Act of 1974, Title 5, United States Code (U.S.C.), Section 552a, and Title 28, Code of Federal Regulations (CFR), Section 50.12, among other authorities.

- Officials must ensure that each applicant receives an adequate written FBI Privacy Act Statement (dated 2013 or later) when the applicant submits his/her fingerprints and associated personal information.²
- Officials must advise all applicants in writing that procedures for obtaining a change, correction, or update of an FBI criminal history record are set forth at 28 CFR 16.34. Information regarding this process may be found at <https://www.fbi.gov/services/cjis/identity-history-summary-checks> and <https://www.edo.cjis.gov>.
- Officials must provide the applicant the opportunity to complete or challenge the accuracy of the information in the FBI criminal history record.
- Officials should not deny the employment, license, or other benefit based on information in the FBI criminal history record until the applicant has been afforded a reasonable time to correct or complete the record or has declined to do so.
- Officials must use the FBI criminal history record for authorized purposes only and cannot retain or disseminate it in violation of federal statute, regulation or executive order, or rule, procedure or standard established by the National Crime Prevention and Privacy Compact Council.³

The FBI has no objection to officials providing a copy of the applicant's FBI criminal history record to the applicant for review and possible challenge when the record was obtained based on positive fingerprint identification. If agency policy permits, this courtesy will save the applicant the time and additional FBI fee to obtain his/her record directly from the FBI by following the procedures found at 28 CFR 16.30 through 16.34. It will also allow the officials to make a more timely determination of the applicant's suitability.

Each agency should establish and document the process/procedures it utilizes for how/when it gives the applicant the FBI Privacy Act Statement, the 28 CFR 50.12 notice, and the opportunity to correct his/her record. Such documentation will assist State and/or FBI auditors during periodic compliance reviews on use of FBI criminal history records for noncriminal justice purposes.
