In addition to submitting a payment request on PDO, mentors must follow directions given in the mentor payment request email that they receive from Mrs. Serenity Moore in early January, in order to receive payment.

It is the mentor's responsibility to ensure that all requirements (logging hours on PDO in a timely manner, submitting payment request on PDO and following instructions from the email they receive from Mrs. Moore in early January) are met **no later than February 18, 2022, for the fall semester**. The deadline for submitting a payment request for the spring semester is

June 17, 2022. **Requests received after the deadline will not be processed.** Submission of BOTH forms are essential to process the payment request for each semester.

Mentors who have completed a mentor forum or the one credit CPD course, TOT-06 will receive \$300 per mentee per semester. Mentors who have completed the three-credit course, TOT-02 will receive \$400 per mentee per semester. Any forms with logs of less than 12 hours will be paid at the \$25 per hour rate.

Mentors should average **at least three weekly meetings per month.**
