

MCPS Bus Routes Affected by Unexpected Unavailable Drivers

Due to a higher-than-expected numbers of bus drivers calling out this morning, multiple routes are affected today, Wed. Jan. 5. Out of our 1228 bus routes we are unable to service 90 bus routes. The routes not able to service students are listed below. If you do not know your bus route number, you can find that [on this website](#). Families are encouraged to organize carpools or to [walk in groups](#) if possible.

We apologize for this inconvenience and understand the difficulty this causes for families. Given these circumstances today we are working to better understand the problem and will provide further communication to let families know how we will solve this issue.
