

Spanish Language Study Circles: Partnering with Latino Parents

Goals:

- To create a group of parents and staff that works together to improve student achievement and parent involvement of Latino students and families.
- To share information and experiences from the study circle that will inform school practice, policies, and procedures.

Process:

- 15 to 20 participants
 - Mix of parents, staff, and administration
- 6 weekly two-hour sessions
- Facilitated in Spanish and interpreted to English

Sessions Build on Each Other
