

## MCPS Apple iPads

3 Yr \$79 AppleCare is no longer required. When making a bulk purchase, we feel it is a better value to buy additional devices to be used as replacements for damaged screens. MCPS does not service iPads and screen replacements will be a local cost. 10-Pack discounts will be applied to volume purchases.

Jamf software (configuration, inventory, application & user management) is now covered by a district license.

Review usage guidelines to assist in iPad configurations
