Dear Elementary School Parent:

Enclosed are route schedules for buses serving your child's school. This information is also available on the MCPS website. Please note the appropriate time, location, and route number for your child. Route numbers are displayed on each bus, on the side window. Questions about transportation should be directed to your transportation depot. Your school or the MCPS website can provide you with contact information for your transportation cluster manager.

Bus stops previously scheduled may have been eliminated or relocated to provide economies in operation. Every effort is made to minimize inconvenience to students and parents, and provide a reasonable level of service. Saving support budget dollars provides more resources for classrooms.

Appropriate student behavior is important to the safety and comfort of everyone. Parents are encouraged to discuss behavior with their children regularly to reinforce this message. It is important that all students follow the rules stated in the "*Ride by the Rules.*" campaign. For more information on this, please visit: <http://www.montgomeryschoolsmd.org/departments/transportation/> or ask your school for one of the "*Ride by the Rules*" pamphlets.

School bus transportation is provided for elementary school children who live more than one (1) mile from their home school. If you live within one mile of the school and you do not see a stop on the list that is in your neighborhood, your child is not eligible for transportation.

Parents are responsible for their children on the way to the bus stop, at the bus stop, and on the way home from the bus stop. Children should arrive at the stop at least five minutes before the established pick-up time. Parents are responsible for children as soon as they get off the bus at the afternoon bus stop and should plan to meet the bus or arrange for a caretaker or other responsible adult to accompany the children safely home or to the child care provider. Parents should instruct their children where to get off the bus and familiarize them with unique aspects of the bus stop or landmarks so that, prior to the first day they will ride the bus, the children will clearly know the stop where they should get off the bus. Please note: bus operators do not know all of the possible caretakers for each child that might be picking up a student on a particular day, and are unable to
