

Career Partnership

On Thursday, December 6, 2018, members of the Bethesda business community and students from B-CC High School will partner to provide students with the opportunity to explore the world of work by visiting workplace sites and shadowing a volunteer mentor for the day.

Career Partnership Day helps students prepare for their future by revealing new careers to them and giving them the opportunity to see firsthand the connection between learning and earning, answering the age old question, “Why do I have to learn this?”

In order to participate as a host site you must register at <https://www.myja.org/programs/careerpartnershipday/hosts/>

Once you have registered, you will be contacted by a member of JA®.
