

Career Partnership

On Thursday, December 6, 2018, members of the Bethesda business community and students from B-CC High School will partner to provide students with the opportunity to explore the world of work by visiting workplace sites and shadowing a volunteer mentor for the day.

Career Partnership Day helps students prepare for their future by revealing new careers to them and giving them the opportunity to see firsthand the connection between learning and earning, answering the age old question, "Why do I have to learn this?"

In order to participate as a student you must register:

- Attend the **Career Partnership Day** interest meeting on Wed. October 3rd in the auditorium at lunch. Be prompt!
- Register at <https://juniorachievementofgreaterwashington.formstack.com/forms/bccstudents>
- Select a Career Assessment to take. Look at your results! Print a copy of the assessment to turn in to Ms. Ricci in C-106. This step is REQUIRED!
- Fill out the Career Partnership application and submit
