

Bethesda-Chevy Chase High School Music Boosters

4301 East-West Highway • Bethesda, MD 20814 • MusicBoostersBCC@gmail.com

Dear Parents/Guardians of B-CC Music Students:

In order to ensure that the B-CC HS Music Department can provide the highest level of music instruction and performance opportunities for our students, **we must raise nearly \$33,000 this school year**. MCPS provides only 10% of the needed funds. Every dollar donated supports music instruction of nearly 500 students in the two Choral and eight Instrumental ensembles, the Guitar, Piano, IB/AP music classes and extracurricular activities including pep band, drum line, pit orchestra, small quartets and combos. More specifically, the money you donate is used for instrumental and vocal coaches, instrument repair (most students use the school's instruments), professional recording of Winter and Spring concerts, sheet music purchases, guest performers, and scholarships for the annual Spring Music Trip.

Your gift is tax-deductible. **Donations received by November 30, 2018 will be listed in both the Winter and Spring Concert programs.** Donations received after November 30 will be listed in the Spring Concert program. **The suggested donation is \$100/student in the program.** \$33,000 is a challenging goal; we ask those who are able to consider giving at a higher level to help us meet it.

Become an enthusiastic supporter of the B-CC music program. Give your children the gift of music for a lifetime. On behalf of the B-CC Music Department, please be generous with your tax-deductible donation to enable our terrific teachers (Marshall White, Lisa Itkin, John Wambach, and Patrick Fowler) to provide an enriching musical experience for every student. We appreciate donations of every amount, and working together, we hope you can help us meet our goal. If you have questions, please email
