Parents who are selected to participate will receive information by mail and are asked to complete the survey online by June 1, 2017. The survey is about your experiences with your child's school and education. Your answers are confidential and are reported with the answers from other families. The information you provide will help schools better understand families' engagement in their children's education and improve connections between schools and families. The survey is brief and can be completed in 10 minutes.

The summit will feature a keynote speaker, resources, and workshops for families of students with disabilities. Registration for the summit can be completed at www.montgomeryschoolsmd.org/departments/special-education/events/.
- **Montgomery County Rec. Dept. summer camp programs will be extended to support families without childcare options due to the later start time of the school year.** This follows the executive order that Governor Larry Hogan signed last fall, which required Maryland's public schools to start classes after Labor Day, beginning with the 2017–2018

school year. Register online at www.activemontgomery.org and is also by mail or fax to 240-777-6818, or in person at most recreation and parks facilities including community recreation centers, ice rinks, tennis centers, aquatic facilities and at the Montgomery County Recreation Administrative Offices at 4010 Randolph Road in Silver Spring. March 22, 2017

Dear Parents,

We are offering an exciting summer adventure for your child: **Camp Bells Mill** for our students entering Grades 1-5 in the fall; and **KinderCamp** for those entering Kindergarten. The camp will be held at Bells Mill ES from July 10 to 28 and will be staffed by our own great teachers. Your student will spend three and a half hours each day having great fun with creative activities that support the MCPS curriculum. Camp hours are 8:30 a.m. – 12:00 noon (doors open at 8:25 am). Limited bus transportation is available. Children should bring a healthy snack and drink from home. It is important that you are able to commit to sending your child to all 15 days.

Students are offered learning opportunities through arts/crafts, physical education, technology, music, reading, math, science and social studies. All elements of the program support the MCPS curriculum.

Please note that your child must be registered as a Bells Mill student in order to attend. If your child is new to Bells Mill, this means that before your child can attend camp we need your current proof of residency, your child's birth certificate, your photo ID and an up-to-date immunization record.

The fee for attending camp is \$550 per child. There are opportunities to decrease tuition fees based on income eligibility requirements. No student will be denied attendance due to financial constraints. Please contact the office if you would like information on payment options.

Please send \$550 payment (check/money order payable to Bells Mill ES) along with the attached form by Monday, May 22, 2017. We will make room for all Bells Mill students, but it is important that you let us know if your child will be coming so that we can plan staffing and hire the appropriate number of teachers. Contact the office if you have questions.

Sincerely,

Jerri Oglesby
Principal
