

The launching of the dare to dream project for girls- Feb 13, 2017

Dare to Dream Project

Dear all,
I would like to inform you that the unthinkable is now possible. We are now going to have an after school project for our girls lead by Mrs. Yancey and Mrs. Carrington. I want to take this opportunity to thank the administration and the instructional leader team (ILT) members for their contributions into this project. I couldn't have done it alone. Starting now the project called "DARE TO DREAM" is on. Please read the attached document for more details about the project. All of us should make this project successful. If you have a girls in your class that you think could benefit from this project, please contact one of us (Yancey, Carrington, or myself). This is a multi-thousand project. We also need volunteers.

Garden Project

I am also announcing that the Garden Project that we started last year is on. If any of you want to be part of the Garden Project, please contact me Mrs. Blake, Mrs. Burrison, or myself.

Thanks for your understanding.
