Green Team

Green team is an after school program to help promote recycling and energy efficiently within our school. All grade levels are welcome to participate. **Green team meets every other Wednesday** after school from **3:10- 4:15pm.** Meeting dates are found on the next page. Students may bring a snack to eat if they want. Green team members are **not** required to attend every Green Team meeting. However, the more meetings a student attends the greater the opportunity to attend special field trips.

While participating in Green Team events and meetings, students are expected to follow the same code of conduct as they do during the day at CJMS. All school rules apply. It is important that students show respect to others and themselves. Student that do not act respectfully or do not following the school rules will be asked not to return to Green Team.

Green team provides an opportunity for students to earn SSL hours, since they are helping the school community. Students will be signing in each time they attend Green team and their hours will be recorded. At the end of the semester, students with the help of the sponsors will add up their hours and complete their SSL form.

In order to participate, please complete the form on the back of this paper. The group size will be limited so please submit your form as soon as possible.

We are looking forward to a successful year!

Thank you.

Mrs. Hinkle Green Team sponsor
