REMINDERS FOR SCHOOLS:

- Paper application forms will be distributed to all MCPS Schools on Friday, August 24 and are to be distributed to each student on the first day of school. **Households that complete an online application DO NOT need to submit a paper application.**
- The paper version of the 2018–2019 Household Application for Free and Reduced Price Meals has been redesigned to allow for electronic scanning. Due to this change, the paper form will no longer be available to print from the MCPS forms webpage as only ORIGINAL applications can be processed. **PLEASE DO NOT duplicate the application at your school.**
- Original paper applications are to be returned to the Division of Food and Nutrition Services **via pony** as soon as they are received to avoid a delay in processing. Paper application may take up to 10 business days for processing once they arrive at the Food Services office. **For faster processing, please encourage parents to submit the application online.**
- Paper applications translated into Spanish will also be distributed to all schools as soon as they are available.
- Translations in other languages will be accessed through the online application and will be posted as soon as they are available.
