

I am so happy to be back at Clearspring! I was here as the AP a few years ago and am happy to return to the position. Before becoming an administrator, I taught middle school science and health and PE at the elementary, middle and high school levels. I have 2 daughters; one in college at the University of Maryland and one in high school. I met my wonderful husband while we attended college at the University of Maryland and even got married at the chapel on the campus. I enjoy spending as much time as I can with my family and at the beach!!
