## ATTENDANCE

There is a direct and positive relationship between school attendance and student achievement. Student attendance and participation is a vital responsibility for every student and parent. Attendance in all classes is mandatory. On the day of an absence, the parent/guardian should call the attendance office (240-207-2222). **Within three days of the student's return to school, the parent must provide a written note for the absence to the attendance office, even if they had called.** Please include your daytime number (work or cell phone number), the full name of student (first and last name), date and day of absence, the reason for absence and the student ID number. **Failure to turn in a note within 3 school days of the student's return may result in an unexcused absence. Assignments may or may not be accepted or given credit if absences are unexcused. A doctor's note will be needed for 5 or more successive absences.** Court dates will be excused with a note from parent and copy of court summons.

### **LATE ARRIVAL**

Any student arriving late with a parent note must sign in at the attendance office. If it is the first 20 minutes of the day (ex: 7:45 am - 8:05 am), then students without a note should go directly to their class and the teacher should mark them Tardy Unexcused (TU).

### **LEAVING EARLY**

Any student who must leave school during the day for a necessary appointment must bring a note to the attendance office (with a parent's daytime phone number) stating the reason and time of departure **before the start of school that morning.** For last minute appointments, parents/guardians can either e-mail the Attendance Secretary or come in and sign their student out.

**IN CASE OF AN EMERGENCY, A STUDENT MUST CONTACT THE ATTENDANCE SECRETARY BEFORE LEAVING SCHOOL.** Parent notes for leaving school without signing out will not be accepted and the absence will be marked unexcused. **Students MUST sign out** with permission from parent or Health Room if they are sick. Failure to sign out will be considered unexcused for any classes missed.

### **PRE-APPROVED ABSENCES:**

Some absences need to be pre-approved by an administrator. Examples of these include: college visits, graduation of an immediate family member, take your son/daughter to work). Some extended absences are NOT excused (weddings, reunions, vacations), however should be pre-arranged to help students stay caught up.

**A note from a parent needs to be submitted to the Attendance Secretary 3 days before any extended absence.** The student will receive a blue form for teachers to sign. Once all signatures have been obtained, the students must deliver it to the attendance office before the absence. In the case of an unusual family circumstance, a student's absence **may be** approved after a written parent contact with the appropriate grade level administrator. Approval must be in advance of the requested absence.

The school administration may check recommendations from the student's teacher(s) concerning the possible effect of the anticipated absence on the student's academic program and the options available for make-up work before making a decision to approve the absence.

Students who are chronically absent may be required by an administrator to submit a doctor's note for all absences.

## **CREDIT RECOVERY**

### **Program Structure and Policy**

1. Students who have started Credit Recovery (CR) during the 2017-18 school year will have until the end of the first quarter to complete their credit recovery opportunity (except those who were enrolled in Algebra 1, Geometry, a World Language class, or other restricted courses).
2. For the start of the 2018-19 school year, students will only be able to participate in CR for the following classes:
  - English 9, English 10, English 11, English 12, Algebra 2 (during your junior or senior year), 2 Year Algebra 2 (during your junior or senior year), Biology, Physical Science, Astronomy, Chemistry, Physics, US History, NSL Government, Modern World History, and Foundations of Technology.
3. In order for students to participate in CR, they must meet the following criteria:
  - The student has earned a 50% or higher in the class.
  - The student was absent ten days or fewer for the semester.
  - The student has not taken the other semester of the full year class through CR.
    - *Example: Students are unable to take both English 9A & English 9B through CR.*
4. If a student meets the criteria above, then they will be able to access CR by following the policy below:
  - Contact your counselor to request CR.
  - CR is offered during lunch Monday through Thursday and attendance is mandatory for at least one credit recovery session a week.
  - The student can only attempt CR for two courses during each semester.
  - A student who failed a class in the Fall (Semester "A" Class) must complete their CR work by the last day of school in May.
  - A student who failed a class in the Spring (Semester "B" Class) must complete their CR work by the last day of school in December.
  - Students participating in the CR program are only able to raise their "E" to a "D".
5. If students do not meet these criteria, then they will need to take the class in summer school or repeat the course again during the next school year.
6. Seniors have an opportunity to take classes through the MCPS On-line Pathway to Graduation Program (see your counselor for more details).

## **EXTRACURRICULAR**

### **ACADEMIC STANDING -ELIGIBILITY**

1. Students in grades 9-12 must have received a 2.0 grade point average or higher and have no more than one "E" during the previous quarter to be eligible to participate in any extra-curricular activity. This does not apply to students entering the school system from a non-MCPS school, to students entering high school in the fall for the first time, or to students engaged in activities which are extensions of a graded course (called "co-curricular").
2. A student may regain his/her eligibility status at the start of the next marking period.
3. The sponsors of all activities shall be responsible for enforcing the eligibility standards.
4. For the purpose of eligibility, a marking period is defined as starting/ending on the date established by the Board of Education for report card distribution.
5. Grades recorded as "incomplete" as a result of legally excused absences shall be considered passing until changed. Incomplete grades must be made up within ten school days after the distribution of report cards; if not changed by the teacher, the grade becomes an "E".
6. Students who earn less than a 2.0 and/or have more than one "E" in the fourth grading period are not eligible to participate in the first marking period.

7. The eligibility standards above shall apply to all elected or appointed officers and any representatives of the school who participate in any school sponsored activities.
8. Any ineligible student enrolled in a co-curricular offering (class) will continue to attend the class and remain a participant of that class; however, the student will not be permitted to participate with the group in any activities outside the class.

### **FINANCIAL OBLIGATIONS**

Students with financial obligations may be prohibited from participating in extra-curricular activities. This includes (but is not limited to) homecoming dance, drama productions, sport teams, senior banquet, clubs, prom, and graduation. Once the obligation is reconciled, students may participate in the activity.

## **SPORTS**

Specific dates for the activities will be announced prior to the start of each season. All students are encouraged to participate in any sports activity of their choosing. As a general rule, a student cannot participate in concurrent activities. With agreement of both sponsors, cheerleaders and Pompons may participate in a sports activity.

### **\*\*\*IMPORTANT\*\*\***

Students who are absent for any part of the day are ineligible to participate in any extracurricular activities or school events on that day. The only exception will be previously scheduled appointments which have been cleared and verified in advance. Refer to the DHS student athlete handbook for more detailed information regarding sports participation.

### **PHYSICAL EXAMINATION REQUIREMENT**

Each year, students are required to submit a physical exam form stipulating physical limitations -if any- before engaging in any team practice. Forms are available in the Main Office, the AD office and online as well. Students should make every effort to have the exams completed before the beginning of school. Students must turn in a permission/insurance form signed by a parent or guardian before being allowed to practice.

### **CONCUSSION AWARENESS**

Every student athlete must take the Baseline concussion test given at Damascus HS.

- ❖ This test is given 3 different times each year to accommodate each sport season.
- ❖ Testing times and the necessary paperwork will be listed on the Athletics page of our school web site by the beginning of August for the fall season.
- ❖ Other testing times will be during the month of October for the Winter sports participants and during the month of February for the Spring season athletes.
- ❖ This test is good for two years so students do not need to take the test every year.

### **STUDENT DRUG & ALCOHOL POLICY**

MCPS athletic regulations state that any student-athlete with verified use, distribution, or possession of alcohol, tobacco, illegal drugs, and/or controlled substances on school property or at a school-sanctioned event is prohibited from participating in athletic activities for a minimum of 10 consecutive school days (including any intervening non-school days). The student-athlete will be eligible for athletic activities on the eleventh school day. Individual schools may create a more stringent penalty than that stated above consistent with the philosophy of its administration and community.

## **GRADES**

Damascus High School aligns grading and reporting practices with the curriculum and assessment practices of Montgomery County Public Schools (MCPS) and the State of Maryland in order to accurately document and report student achievement.

Please visit Regulation ILA-RA: Grading and Reporting for more information.  
<http://www.montgomeryschoolsmd.org/departments/policy/pdf/ikara.pdf>

To monitor student performance, please visit the myMCPS Classroom or Parent Portal.

<http://www.montgomeryschoolsmd.org/mymcps-classroom/index.aspx>

### **MAKE-UP WORK**

When a student has an excused absence from classes, he/she will have the equivalent of the number of school days absent to make up class work, homework, quizzes, and tests for full credit. For long term excused absences - 5 days or longer - the teacher and student will work together to formulate a plan.

### **REPORT CARDS**

Report cards will be issued to all students during an in school homeroom, with the exception of the final report card which will be mailed home in June. If an "I" is placed on the report card for a marking period grade, it must be changed in the Counseling Office to the earned letter grade by the 10th school day after the report cards are issued for each marking period. Unchanged "I's" will be changed to "E's" on the 10th school day if no teacher has reported a grade change. This policy will affect a student's eligibility.

## **COUNSELING SERVICES**

### **COUNSELING SERVICES (240) 207-2250**

The Damascus High School Counseling Department consists of five counselors, a Counseling Secretary, a Registrar, and a Career Information Coordinator.

### **ASSIGNMENTS FOR ABSENCES**

Students are encouraged to see their teacher if they are absent from class for under three days. The Counseling Office will request work assignments when the absence, if due to illness or suspension, will be for three days or more. Please allow 24 hours after the request for work to be ready. Please contact your counselor.

### **SCHEDULE CHANGES**

Schedule changes can be disruptive to a student's program. Extensive work is done to review the appropriateness of student registration choices, to build a master schedule that reflects those choices, and to develop appropriate individual student schedules within the whole school master schedule. Therefore, requests to change student schedules will be subject to review by counseling and administration.

During the first two weeks, schedule changes will only be made if:

- ❖ There is a hole in your schedule (no class scheduled during a period).
- ❖ You are requesting to be placed in a higher level course.
- ❖ You were misplaced in your current course (you already earned credit in the course).

After the first two weeks, schedule changes will be limited. All students desiring a schedule change must work through the schedule change process with their counselor. Requests for schedule changes will be considered only under these circumstances:

- ❖ The student has a change in his/her instructional program.
- ❖ The change is recommended by an administrator or the EMT Committee.
- ❖ Special circumstances explained by student and parent/guardian.
  - All sections of the "Schedule Change Form" must be completed and submitted in order for the process to review this request can begin.

If a request is being denied, then the administrator will communicate directly with the student who made the request to share the decision.

### **STUDENT CONFERENCES**

Students or parents may make appointments with their counselor through the counseling secretary. Except in emergency cases, all students must have a pass to see their counselor. The pass is most often given to the student by the counseling secretary. All students must have signed staff permission to visit their counselors. All students must sign in and out of the Counseling Office. Parents may schedule a conference, appointment or speak with a counselor regarding any student concern by calling the Counseling Office at 240-207-2250 between 7:20 a.m. and 3:30 p.m. on school days.

### **COLLEGE/CAREER CENTER (240) 207-2383**

The College/Career Information Center is located in Room 133 where career and vocational materials are available for students and their families to explore their career interests.

### **TRANSCRIPT REQUESTS**

A transcript is a record of the courses and grades that a student has earned throughout his/her high school years. All college applications, some job applications, and many scholarship applications need to be accompanied by a transcript. Transcript requests and procedures are handled by the Registrar at (240) 207-2346 during school hours.

## **MISCELLANEOUS**

### **ADVERTISING IN THE SCHOOL**

Any school club or organization can make use of the PA system. All announcements must be approved and submitted by the sponsor or coach, and posters must be approved by an administrator prior to display.

### **DRIVING**

- ❖ Students who park in the lot must have a current student parking tag displayed on the rear-view mirror of their car. Applications for tags may be secured through the Business Office. Students must meet certain requirements as stated on the application to be considered. If approved, students must pay a nonrefundable fee set by MCPS. Parking authorization remains a privilege, not a right.
- ❖ Illegally parked cars may be warned with a sticker for the 1<sup>st</sup> offense and subsequent offenses could result in financial obligations, towing, and loss of parking privileges.
- ❖ Students are not to enter cars or lots during the school day without permission.
- ❖ At no time are students permitted to park in the visitor spaces, handicapped spaces, or the staff parking lot.
- ❖ Students with violations involving their vehicles may lose their parking tags.
- ❖ Students must continue to meet the criteria to park in the school parking lot in order to maintain this privilege.

## **ELECTRONIC DEVICES**

Students may use electronic devices with headphones only before and after school, during passing times, and at lunch. Cell phones are **not permitted during instructional times unless approved by the teacher**. Failing to respond to adult direction regarding the use of devices with headphones could result in the loss of privilege. Students may place phone calls before school, during lunch, and after school, but not during passing or class time. Students should not video or record other students, teachers, or other staff without their permission.

## **FINANCIAL OBLIGATIONS**

Students may incur financial obligations such as lost or damaged textbooks, lost or damaged calculators, lost or late media center materials, replacement IDs, and course related fees. Students who have financial obligations will be prohibited from participating in extracurricular activities including (but not limited to) homecoming dance, drama productions, sport teams, senior banquet, prom and graduation. Once the obligation is reconciled, a student may participate in the activity. **Diplomas and/or transcripts will be held until all financial obligations are met.**

Returned checks will be subject to a \$25 fee. The amount of the check and the \$25 fee will be entered as a financial obligation to the student, and a letter will be mailed home. Payment of this obligation is requested to be made in cash.

## **HEALTH ROOM (240) 207-2401**

The Health Room, located next to the Business Office, is supervised by a registered nurse and is staffed by a health aide. It is Damascus High School policy that no student should be carrying medication to school. If a student needs to be administered medication, the following procedure is to be followed:
