2018 SUMMER ASSIGNMENTS
VAC G4 – 12^h Graders

THE SENIOR SERIES SHOULD DEMONSTRATE ORIGINAL THINKING AND A WILLINGNESS TO TAKE CREATIVE RISKS IN WORKS THAT ILLUSTRATE ORIGINAL VOICE & VISION.

4 COMPLETED WORKS ARE REQUIRED to be completed in the summer. In these four works you should be taking risks in the use of materials and solutions. You may select any media to complete this work. You will be entering this work for colleges & art competitions. What is the work expressing?

4 ADDITIONAL EXPLORATIONS ARE ENCOURAGED to be completed, but not required. The explorations must relate to the new Senior Series. These can be pieces that document detailed studies, research, and or experiments of your idea. Look at the examples in the presentation.

Keep in mind the three following attributes that should be reflected in your finished work.

CREATIVITY: develop and express original and interesting ideas

COMPLEXITY: solve the problems pushing toward strong “resolved” compositions

COMPETENCY: control the media and composition effectively

- You may use any drawing or painting media to complete these assignments.
- Each of these works should take 4 + hours to complete.
- Do not be afraid to make revisions in your work or if necessary, start over.
- Consider using different media for each assignment.
- Strive to resolve assignments as “portfolio quality” work that you will be proud of.
- Do not be satisfied with shortcuts.
