Montgomery County Public Schools

Date: \_\_\_\_\_

Dear Parent or Guardian of \_\_\_\_\_:

The Maryland school immunization regulations (*COMAR 10.06.04*) require children enrolled in school to show proof of having completed required immunizations. These regulations were revised for students entering Grade 7.

All Grade 7 students must have a **Tdap** (Tetanus, diphtheria, acellular pertussis) **and** **MCV** (meningococcal) vaccine.

If you are receiving this letter, a review of your Grade 6 child's immunization record (attached) indicates s/he needs the following immunization(s) in order to attend Grade 7 next school year.

Tdap

MCV

Contact your child's health care provider to obtain the required vaccination documentation and/or immunization(s).

**Parents/Guardians are urged to submit to the health room the documentation of the Tdap and MCV immunizations as soon as possible this current school year, or before the first day of school next year.**

Please take the attached copy of your child's immunization record when you go to your child's health care provider.

There is a limited quantity of these vaccines, free of charge, during the spring break clinics below, for any current Grade 6 student. No appointment is necessary. Take this letter and the attachments to one of the following locations:

Tuesday, March 27, 2018 9am–4pm	Wednesday, March 28, 2018 9am–4pm	
Dennis Ave Health Center 2000 Dennis Avenue Silver Spring MD	Germantown Health Center, 12900 Middlebrook Rd, 2 <sup>nd</sup> Floor, Germantown, MD	Silver Spring Health Center, 8630 Fenton Street, 10th Floor, Silver Spring, MD

Vaccines are available at other times at Montgomery County Department of Health and Human Services (MCDHHS) Immunization Clinics for a nominal charge if your child is uninsured or has medical assistance.

Attached is the schedule and locations of the MCDHHS Immunization Clinics.

Call your School Community Health Nurse if you have questions or need assistance in meeting these requirements.

Sincerely,

\_\_\_\_\_  
Principal
