

Dear Kennedy Family,

Every year, the John F. Kennedy High School PTSA sponsors the JFK Post Prom event. This year we are pleased to announce its return. Under the leadership of the JFK PTSA, Post Prom will continue to deliver a fun and safe place for our students to go following the Senior Prom.

We're excited that this year's event will be held at the White Oak Duck Pin Bowling Alley for a special Cosmic Bowl (11207 New Hampshire Avenue)! Unlimited bowling, food, games, prizes and more will entertain your student from midnight to 3:00 a.m.

The Post Prom is held immediately after the annual Senior Prom for JFK students and their dates. The idea for Post Prom was developed many years ago, and the primary reason for the event is to give students an alternative activity after prom ends for the evening. In the past, too many of our students were making the wrong decisions that led to bad consequences. The Post Prom is that alternative activity and has been for many years at Kennedy.

We'd like to continue that tradition and are seeking your help in making our event on May 10, 2019, a success again this year. We are seeking monetary donations from all Senior parents/guardians to help fund the event for the students who made the right choice to attend.

To donate \$20.19 for the Class of 2019 you can either follow the link below or send your donation in through the Main Office at Kennedy High School. Any amount above or below this amount would also be appreciated.

Thanks for your continued support. Your support gives our students a chance to make a right decision on Prom night!

Sincerely,

Amie Wohlfarth

PTSA President
