- Get Information on the Global Children’s Center Before/After Care Program

What is a Sneak Peek Preview?

This is the time to bring your child to school to find out who your child’s teacher will be for the 2017-2018 school year and time to help your child find his/her classroom. It is designed to reduce beginning of the year anxiety and help him/her prepare emotionally for the start of school.

Encourage your child to see the positives of a new year and a new teacher. Talk to him/her about the school and spend time organizing materials, clothes, and schedules. Enjoy a walk through the school, a brief visit to the classroom(s) and conversations with your child about the upcoming year. See you there!

★ A meeting for Kindergarten Parents will be held at 10:00 a.m. in the All Purpose Room, just before the Sneak Peek
