**Student Planners**
Our school has produced a student agenda book that is available for student purchase. This agenda book is not graded or used as a hall pass, but it is used by teachers to help your child track his/her assignments and to let you know of assignments that are due. While this is a voluntary purchase, we strongly believe a student agenda book is a valuable organizational tool to help you and your child monitor completion of assigned tasks. If you do not want your child to purchase the school’s agenda book, please provide a tool your child can use for the same purpose. These planners can be purchased from the school. The cost for each grade level planner is:

4th Grade - $2.75
5th Grade - $2.75

If you would like to purchase a planner for your child, please send cash or make checks payable to Luxmanor Elementary School.
