Dear Luxmanor Families,

We are already half way through the school year. Time flies when learning is happening. On Wednesday, February 6, 2019, you will receive your child’s second marking period report card.

On January 11th, we held our annual Family Fun Night. What an incredible night. I hope the families who were able to attend enjoyed a night of bingo and won some prizes. Thank you to Debbie Berger, Mary Beth Lord, Rachel Scherr and their amazing team of volunteers who hosted this event for us!

On February 14th at 2:15 p.m., we will have our annual Valentine’s Day parties. For the event, please sign in at the table in the front hallway. We will have stickers available for you to wear after you sign in. If you are planning to take your child home after the event, there will be a check out sheet in each classroom for you to sign out your child. We need every child leaving with their parent to be signed out.

We have already begun planning for our Kindergarten Orientation. Our Kindergarten Orientation has been scheduled for May 1 & 2. If you know of anyone in your neighborhood who will have a child turning 5 years old on or before September 1, 2019, please have them call Ms. Colin in the main office to register for Kindergarten Orientation.

Our lost and found is full! If your child is missing a coat, hat, gloves, or other apparel please be sure to look in the lost and found right outside the main office.

Below you will find additional information regarding MCPS and Luxmanor’s PEP Pilot program open house. Thank you for everything you do for Luxmanor!
Sincerely,

Jennifer Redden
Principal Intern

**Students Can Design Their Dream Classroom in United We Learn Contest**

Montgomery County Public Schools is launching the third year of its student contest, United We Learn. This year’s contest, United We Learn: Schools of the Future, allows students to design their ideal learning space and challenges them to think critically about how their physical environment affects their ability to learn.

The contest follows a November 2018 survey that asked students and staff about how they use learning spaces at their schools, and what they would like classrooms and schools to look like in the future. Recurring elements mentioned in the survey feedback included considerations regarding color, lighting, furniture, technology, and security. That feedback will be used to support the continuous improvement of our educational facilities. The contest tasks students to consider these same elements as they design their vision of what an ideal learning space might look like in the future.

By participating in this contest, students may also have the ability to help influence future design. More details are available on the contest website: montgomeryschoolsmd.org/events/unitedwelearn/.

**Los Estudiantes Pueden Diseñar el Aula de Sus Sueños en el Concurso Unidos Aprendemos**

Montgomery County Public Schools está dando inicio al tercer año de su concurso para estudiantes, Unidos Aprendemos (United We Learn). El concurso de este año, Unidos Aprendemos: Las Escuelas del Futuro (United We Learn: Schools of the Future), permite a los estudiantes diseñar su entorno de aprendizaje ideal y los desafía a pensar de manera crítica sobre cómo su ambiente físico afecta su capacidad de aprender.

El concurso sigue a una encuesta realizada en noviembre 2018 que les preguntaba a los estudiantes y al personal acerca de cómo ellos usan los espacios de aprendizaje en sus escuelas, y cómo les gustaría que fueran sus salones de clase y sus escuelas en el futuro. Los elementos recurrentes mencionados en las respuestas a la encuesta incluyeron consideraciones relacionadas con color, luz, muebles, tecnología y seguridad. Esos comentarios/sugerencias serán utilizados para apoyar el mejoramiento continuo de nuestras instalaciones educativas. El concurso asigna a los estudiantes...
la tarea de considerar estos mismos elementos al diseñar su visión de cómo sería el espacio ideal para el aprendizaje en el futuro. Al participar en este concurso, los estudiantes también tienen la capacidad de ayudar a influenciar los diseños futuros. Hay más detalles disponibles en la página web del concurso: montgomeryschoolsmd.org/events/unitedwelearn/.
