## EXEMPTION OF LIABILITY AND CONSENT

I consent to have my child, \_\_\_\_\_ participate in the Excel Beyond the Bell after-school program (EBB). The participant assumes all risks associated with participation in EBB. Montgomery County Public Schools (MCPS), Montgomery County Collaboration Council (MCCC), and Montgomery County Recreation (MCR) assume no liability for injury or damages arising from participation in the program. The participant consents to emergency treatment. If the participant is a minor, the parent or guardian approves his/her participation in the program. Neither the instructors nor any of the staff affiliated with MCCC and MCR are responsible for children prior to or after the scheduled programs.

I consent to the use of any photographs taken or videos made of the program for promotional and educational purposes by MCCC and MCR. I consent to MCCC and MCPS sharing information about my child as described below to evaluate the effectiveness of EBB.

MCCC will share the following information about your child with MCPS:

- Student name; student ID number; number of EBB programs enrolled per session; and EBB attendance.

MCPS will match the information from MCCC with the following information from your child's student record:

- Student demographics (gender, grade, and race/ethnicity);
- Student enrollment in special services (Free and Reduced-Price Meals (FARMs), English for Speakers of Other Languages (ESOL), and Special Education);
- Number of school days enrolled in each marking period;
- Number of absences for each marking period; and
- Percent of school days attended for each marking period

MCPS will then share the above information from your child's student record with MCCC after removing all references to student name and student ID number. MCPS will also use information shared by MCCC to match the shared information with student grades, academic assessment scores, and attendance to evaluate the impact of EBB on improving students' academic outcomes. The results of MCPS' evaluation will be reported to MCCC and MCR in summary fashion, with no individual students identified. MCPS, MCCC, and MCR will not share your child's personal information with any other entity and will take steps to safeguard the information at all times.

I am enrolling my child in EBB and agree to all of the above statements.
