

Application for Recycling Club membership

I _____, wish to join Recycling Club for the first 2 quarters of this school year. I understand that, as a Green Team member, I am expected to adhere to the highest standards of behavior at North Bethesda. I will forfeit my SSL hour for the day if my behavior breaks any rules outlined in the NB Student Handbook.

I further understand that I am expected to show a commitment to promoting recycling and conservation at North Bethesda in any way I can. This is not simply an “easy” way to earn Student Service Learning Hours. I have shown this statement to a parent or guardian, and their signature below shows that they have also read and understood the agreement.
