

Web Announcements

June 4, 2019

- Each year Google receives many entries in an art competition called “Doodle for Google.” Participants are asked to create their own interpretation of the Google logo, and one student from each state is chosen as the state winner. NW very own Maggie Slaughter, is the winner for the entire state of Maryland. She will now compete with the other 49 state winners in a period of public voting that has already begun. In addition to prizes for the national winner, the national winner’s school receives a \$50,000 technology award! This is your chance to help Maggie become the national winner. Go to [Doodle for google.cm](https://doodleforgoogle.com) and vote for Maggie. The voting starts today until June 7. Please support Maggie and vote every day.
 - Attention students taking precalculus and above next year, Mu Alpha Theta is now accepting applications for next year. Please stop by the Math Honor Society bulletin board by room 316 to get the link to apply. Remember to use your school ID email when applying. Applications are due next Monday, June 10th.
 - If you have any gently used school supplies, including backpacks, binders, composition books, and test prep books, drop them off in the free store in room 202. Feel free to pick up any new school supplies you need as well.
 - Just a reminder that all SSL hours for this school year must be turned in before this Friday, June 7th.
 - The athletic department is looking for that special someone to wear the Jag Mascot uniform. It has been tradition to keep the Jag behind the suit a mystery. If you have what it takes to be a Jag Pride Mascot see Ms. Rossiter.
 - Please remember that there is no school for students this Thursday, June 6, due to graduation at the Xfinity center.
 - Enrollment is now open for Math Summer Preparatory Camps at Northwest High School. Don’t miss this opportunity to get a head-start in math for the upcoming school year! Our week-long math preparatory camps provide skill-building activities for critical math skills and exposure to concepts that will be encountered this fall. Sessions are available for students enrolled in the following courses for the 2019-2020 academic year: August 12-16, 8:30-11:30 am: Geometry/Honors Geometry; August 12-16, 12:30-3:30 pm: Algebra
-

II/Honors Algebra II; A2: August 12-16, 8:30-11:30 am: Pre-Calculus/Honors Pre-Calculus. August 12-16, 12:30-3:30 pm: Calculus. The cost of each camp is \$130, which includes 15 contact hours of instruction led by current Northwest faculty. Partial fee waivers are available, based on income. The registration deadline is Monday, June 10, and registration details are available by clicking on “Summer Academic Preparatory Camps” on the website. For additional information, please contact Ms. Debbie Wilson, math department.

- Summer workshops for students and parents are being offered at Northwest High School and Clarksburg High School to prepare our students for college and careers! Topics include college and career prep, financial aid basics and the FAFSA, finding the best fit for college or careers, tips for finding scholarships, navigating Naviance, and more. The workshops are free, but registration is required. Northwest students should register using their Naviance accounts. Please note that space is limited, and registrations will be accepted on a first-come, first-served basis.
