Workshop Series Topics ▶ Dates ▶ Times*

Topic: College Career Prep for all grades

Date: June 19 @ 10 am

Participants will learn how to get the most out of high school in preparation for college or a career. Topics covered include working with counselors on course selections, getting involved in high school, college test prep, understanding the high school transcript, & more. All grades are welcome to attend. Presented by C2 Education.

Topic: The College Essay, the College Search, Campus Visits & Best Fit

Date: June 19 @ 11 am

Participants will receive tips and useful resources for essay writing from the college admissions perspective. In addition, participants will receive insight on components of the college search, getting the most out of the campus visit and how to find the best fit for college and/or career. Intended audience: Juniors & Seniors. All grades are welcome to attend. Presented by the Director of Admissions at McDaniel College.

Topic: Scholarships “Find the Money @ NW”

Date(s): July 9 & July 10 @ 10 am | July 16 & 17 @ 10 am

Location: College Career Information Center, Room 126

Learn tools and tips for finding scholarships and using the resources in the College Career Information Center.

Topic: The College Application: The Common App, Online App & Coalition

Date: July 23 @ 10 am @ Clarksburg High School

Students will learn the steps for applying to college. College deadline terms, how and when to apply will be discussed. Intended audience: Rising seniors, parents and guardians. Presented by the University of Maryland, College Park Office of Admissions.

Topic: Financial Aid Basics & the FAFSA

Date: July 24 @ 10 am

Learn the financial aid basics, including how to apply for financial aid, the types of financial aid and where to find the aid you need. In addition, there will be a preview of the Free Application for Federal Student Aid (FAFSA). The information presented will be most relevant for rising seniors. All grades are welcome to attend. Presented by the Office of Student Financial Aid Services at Montgomery College.

Topic: Navigating Naviance

Date: August 13 • offered in ‘walk in’ format from 10 am to 12 noon

Students & parents will have the opportunity for registration, reconnection and learning how to navigate the Naviance | Student account. Intended audience: All grades. **Please note:** Use of Naviance is required senior year.
