## **Mantra**

We believe, all achieve!

## **Mission**

State and maintain high expectations in academics and behavior

Use strategies to model desired outcomes for students

Conduct a positive learning environment with outreach and communication with parents and the community

Communicate and believe the key messages:

- This is important
- You can do it
- I won't give up on you
- Effective effort leads to achievement

Exhibit and teach good character traits

Service the individual and diverse needs of learners

Study and expertly teach content, providing access to rigorous grade level courses for all students.

**We accept the MCPS vision and the Success for Every Student goals as our goals as well.**
