The Academy of Finance, a member program of the National Academy Foundation, addresses the needs of the financial services industry by providing high school students with the education required for success.
The Academy of Finance

The Academy of Finance is a college preparatory program. Its mission is to encourage high school students to take courses in financial studies related disciplines. By doing so, students gain valuable knowledge to prepare for meaningful careers and to build personal wealth.

Academy of Finance Courses

Required Courses:

- Accounting A/B
- Financial Planning
- Banking and Credit
- Entrepreneurship A/B
- Internship—(2 Semesters)

Electives: (2 semesters required)

- International Finance
- Economics and World Finance
- AP Economics

Advantages to Students

Students gain first hand experience in the fascinating and challenging world of finance through paid internship programs. Throughout their years in the Academy, students will have the opportunity to:

- Become familiar with people, functions, and organizations in the financial services industry
- Visit banks, brokerage houses, financial exchanges, insurance companies, accounting firms, and government agencies
- Participate in mentoring and shadowing programs
- Gain valuable insights from guest speakers
- Attend conferences, trade shows, and college fairs
- Enjoy special graduation and recognition ceremonies
- Enhanced opportunities for scholarships and employment upon graduation

How to Get Started

1. Complete and submit an AOF application
2. Sign up for Academy of Finance (AOF) required courses
3. Speak with a Business/Computer Science teacher in class or stop by the School Bank (Panther Trust) to speak to Mr. Fanning. (301)-388-9944 Joseph_M_Fanning@mcpsmd.

Did You Know?

- If a student begins to invest as a teenager, he/she can become a millionaire by the time they retire.
- Students are graduating from college with a lot of debt.
- Money management is essential to a financially-successful life.
- A credit report is often required when applying for a job.
- Most careers require some financial knowledge.
- AOF students can earn up to 13 college credits while at PBHS through Montgomery College Tech Prep Program.
