Dear Parent(s)/Guardian(s),

I am pleased to share details regarding College Readiness and SAT School Day at Paint Branch High School. On Tuesday, April 9, 2019, our students will be involved in a variety of academic projects and assessments in the morning. As you know, we will offer the SAT during the school day to Grade 11 students with the original graduation year of 2020. The SAT will be administered from 7:45 am to 12:00 pm. Students who are not involved in SAT testing, AP Mock Exams, Bridge Projects or Accuplacer testing should plan to arrive to school at 12:00 pm. Students who arrive earlier to school will report to a designated homeroom location for supervised study hall activities and will not be permitted to leave school.
