PHOTO/VIDEO/WEBSITE RELEASE FORM
2018 - 2019 School Year

Dear Parent/Guardian:

On occasion, representatives from the Board of Education, MCPS, and/or the public media wish to photograph, videotape, and/or interview students in connection with school programs or events. Educating the public is one of our objectives. The entire community benefits from knowing about the needs and abilities of our students and about the programs we offer to children and families.

In order to release student photos, video footage, comments and/or post on the county website, we need written permission. To give your consent, or not, please complete the form below.

I give permission for my child to be photographed, videotaped, and/or interviewed by representatives from the Board of Education, MCPS, and/or the public media for the purpose of publicizing educational programs. All of these photographs/video recording shall be the property, solely and completely, of Montgomery County Public Schools and/or the Board of Education. I waive any right to inspect or approve the finished photographs/videotapes, and the sound track, script or printed matter that may be used in conjunction with them.

I DO NOT give permission.
