

## AP and PLTW Recognition

In 2015, we introduced the new **AP<sup>®</sup> + PLTW** program, a combined effort between the College Board and Project Lead The Way (PLTW) to increase participation in science, technology, engineering, and math (STEM) courses. This program provides an opportunity for students to earn a recognition that shows colleges and employers that they're ready for advanced course work and interested in STEM careers.

### **Step 1:**

Go to the following website <https://goo.gl/XTgD4U> and click "Get Started" (pictured right).

### **Step 2:**

Click on "Get Started" and then enter your College Board login and password. If you don't already have a College Board account simply create a new one (pictured right).

The banner features the AP logo, a plus sign, the PLTW logo with the tagline "PROJECT LEAD THE WAY", and the text "Welcome to the AP + PLTW Student Recognition Process". Below the title, it states: "The College Board and Project Lead The Way are excited to provide you with an opportunity to earn recognition for your AP and PLTW coursework. To earn this student recognition, you must complete three courses in a pathway - one AP course; one PLTW course, and a third course, either AP or PLTW - and earn a qualifying score of 3 or higher on the AP Exam(s) and a score of Proficient or higher on the PLTW End-of-Course (EoC) Assessment(s)." It then lists three steps: 1. Create and/or login to your College Board account, 2. Verify your email address, 3. Provide us with personal information and details regarding your PLTW coursework. A "Get Started" button with a right-pointing arrow is at the bottom right.

**Step 5:**

A. Enter your personal information (pictured right).

**Tell Us About You**
