

Dear QO Cougar Families-

Welcome to what is sure to be another amazing year at Quince Orchard High School! We hope that you will take a moment to consider joining or renewing your Booster Club membership for the 2018-2019 academic year. Each year the Booster Club strives to provide additional resources for ALL extra-curricular activities at Quince Orchard High School.

There are over 39 athletic teams and 68 clubs and organizations that provide opportunities for our students to be part of the Quince Orchard HS community. Over the past three years, the QO Booster Club has granted over \$50,000/year to programs that benefit our student body. We aim to provide access to cutting edge technology and programs. During the 2017/2018 school year grants included:

- Baseball/Lax/Field Hockey and Football practice field Bermuda grass conversion
- JUNTOS Latin Dance Team - for MCPS dance competition
- Paint for all fields
- Light board for Theater
- Prowler - Printing senior issue and mailing expenses
- Controller for the gym scoreboard
- Track accessories and improvements
- Dirt for baseball field
- Lacrosse Nets
- Model UN - Support for JHU weekend competition and other expenses

How do we do this? Through our **annual membership drive**, community sponsorships, various fundraising activities, and of course volunteerism. We hope that you will take a moment to visit our website at www.qoboosters.com. Further details about membership and volunteer opportunities are available.

We are looking forward to welcoming our newest Cougars, as well as welcoming back our returning students and families! And join us on Wednesday, September 12th at 7pm for the first Booster Club meeting in the QOHS Media Center.

The QOHS Booster Club Board
