## Quince Orchard High School Patron of the Arts 2018-2019 Registration Form

Ticket sales alone cannot cover the cost of producing our shows. We depend on patron donations, program ads, silent auctions, tee shirt and flower sales, and student activity fees to supplement the expense, as they are our most effective forms of fundraising. The average play costs around \$10,000 to produce, the average musical \$30,000.

The support and encouragement we receive from the community – through volunteering, subscribing to an ad in the playbill, becoming a Patron, or being part of the audience – is critical to our program. Your contribution is deeply valued and much appreciated.
