Dear Parents/Guardians,

Throughout the school year, teachers may want to show a film to supplement their curriculum that is rated PG (parental guidance suggested) by the Motion Picture Association of America (MPAA). Films selected to be shown in the classroom will be identified as essential to the instructional process by advancing students' understanding of important concepts or processes.

If you grant permission for your child to view PG films for the purpose(s) described above by, you do not need to do anything. If you do not grant permission, please fill out the information below and return it to school by Friday, September 13, 2019. Students who do not have permission to view PG rated movies will be provided an alternative educational experience in the event a PG movie is shown.

PG-13 movies will only be shown if MCPS gives a waiver. A separate permission slip will be provided in that unlikely situation.

Thank you,

Matthew T. Niper
Acting Principal
