Dear Richard Montgomery High School Community,

On Monday, June 23, 2008, the Montgomery County Board of Education appointed me as principal of Richard Montgomery High School. This was the greatest professional honor in my educational career.

For the last six weeks, I have been on extended leave due to a cardiac medical condition. It is with mixed emotion that I inform you that effective June 30, 2014, I will no longer continue to serve as the principal of Richard Montgomery High School due to my medical condition. I know that the school system will appoint the best principal to continue the tradition of excellence at Richard Montgomery High School.

Our school community is an engaging and vibrant environment with a rich tradition of academic excellence. I continue to be impressed by our dedicated staff who work tirelessly to support our students and parents. We have a wonderful school with a great legacy of excellence and community service.

In the very near future, Dr. Christopher Garran, associate superintendent for high schools, will send a letter outlining the principal selection process and how you can be involved.

Thank you for your continued support!! Go ROCKET PRIDE!!

Respectfully,

Nelson McLeod
