

# Rockville Mentoring Program

(Student Service Learning (SSL) Opportunity)

*Making a difference, one child at a time.*

How often do you do your SSL hours and it means nothing to you?  
Do something that **MATTERS** - one hour a week.

**Our program makes it easy to participate:**

- ✓ One day a week for one hour after school at the child's school from October through May
- ✓ No mentoring during school breaks and holidays
- ✓ Training and ongoing support provided
- ✓ Meet with mentee in group setting with other mentors/mentees

**To be a mentor, you don't need any special skills – YOU are the special skill. You'll be amazed by how much you'll get from the experience.**

*Great for a resume booster! Student Service Learning hours available. Mentors must be 16 years of age and older.*
