

# Rolling Terrace Elementary is Going Green\*!

Our green efforts include the following, beginning November:

- RTES will post the administrator's newsletter and calendar on the school website. We will post the newsletter on the second Wednesday of each month. We will send out a Connect-Ed telephone message to announce that the newsletter has been posted.
- Communications sent in paper form will be distributed to the youngest/only child, per family.
- The PTA will post news and calendar events on the RTES PTA website:  
<http://www.rollingterracepta.org/>

Thank you for your understanding and support as we strive to communicate in a "green" manner. In addition to having received a paper copy of the September newsletter, it is also available on RTES's website: <http://www.montgomeryschoolsmd.org/schools/rollinges/>

The principal's newsletter will be located in the *Quicklinks* section under *Principal's Newsletter*. The teachers' newsletters will be located in the *Quicklinks* section under *Classroom/Specialist*.

If you prefer to receive paper copies of the newsletters, please complete and return the bottom portion of this sheet.
