

# Seneca Valley High School License Plates

Organizational plates from MVA will make your vehicle stand out and show your school spirit!

The unique Screaming Eagles license plate was created through collaboration with students, the art department, the PTSA and the Maryland Motor Vehicle Administration.

## How to get your License Plate

CONTACT: Jeri Crist, authorized SVHS representative, @ 301-928-7075 or [Jeri\\_L\\_Crist@mcpsmd.org](mailto:Jeri_L_Crist@mcpsmd.org) to have applications and instructions mailed to you.

COMPLETE: The application and mail it to the MVA with your \$25.00 check made payable to the MVA. Since this is an organizational plate, and not a personalized plate, the MVA fee will only be charged once and will not be added to future registration renewals.

The MVA will mail the plate to your home address.

Be sure to check out the SVHS license plate in our showcase display in the school lobby.

Thank you for your support and school spirit!
