

Seneca Valley High School

The new Seneca Valley High School is well under way, and is scheduled to be completed in 2020! The final design will incorporate bricks donated by alumni, staff, community members, and other supporters of Seneca Valley High School. Your brick purchase will provide financial support for the Seneca Valley High School Boosters Club, which supports all school sports and school clubs. This is a unique opportunity to honor your family, a favorite teacher, an outstanding sports team or activity, and/or your graduating class. Be a part of Screaming Eagles History by purchasing a brick that will become a permanent part of the new building.
