---

September, 2018

Dear Parent/Guardian:

We are pleased to introduce Naviance Student—a comprehensive website that you and your student can use to make plans regarding colleges and careers. Naviance Student is linked with Naviance™, a service that has been widely used in high schools, including MCPS, to help students plan for college and career opportunities.

Naviance Student allows your student to:

- **Research careers**—Research hundreds of careers and take career interest surveys.
- **Create plans for the future**—Begin the process of exploring post high school opportunities.
- **Set academic and personal goals**
- **Create a high school course plan**

Counselors will be providing lessons to students in 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> grade several times throughout the school year to introduce various facets of Naviance Student.

In the fall of 2018, parents will receive login information so they can access Naviance. If you are looking for other resources available in the county, please refer to the following link on the Montgomery County Public Schools website at <http://www.montgomeryschoolsmd.org/career-readiness/>.

Sincerely,

The Counseling Department
