

# Thurgood Marshall Elementary School

## Our Community Jobs

### TMES Teachers and Staff

- Have high expectations for all students
- Be an advocate for all students
- Provide group and individualized instruction based on the needs of each student learner
- Create successful learning strategies for each individual student and utilize MCPS curriculum
- Collect and interpret student data to focus teaching
- Provide homework and follow-up activities that review student learning
- Communicate readily with students and family members

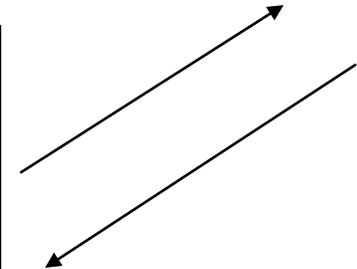

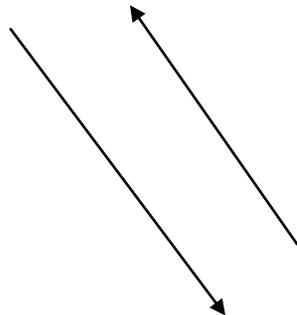

### TMES Students

- Come to school ready to learn
- Try your best each and every day and have high expectations for yourself
- Ask questions when you do not understand something
- Give parents and/or family members information provided by your teacher each day
- Review homework with your parent or family member
- Complete homework and return all items on time
- Follow the TMES expectations

### TMES Parents and Family Members

- Open and read all information sent home by the school
- Return required paperwork and permission forms on time
- Review homework and return class work with your student
- Create a calm working environment for your child to complete assignments and facilitate independence in completing and returning that work
- Communicate with your child's teacher by email, note, or phone call when you have concerns or questions
- Have high expectations for your child
- Be informed and involved in your child's school by reading newsletters and papers, volunteering in the classroom, participating in school events, and/or becoming involved with the school's PTA.

**Working Together, Creating Success**
