

## **WASHINGTON GROVE SCHOOL SONG**

**Washington Grove is the place we like to be  
A place to learn new things and be the best that we can be**

**We roar with Cougar Pride  
It's something we can't hide**

**If we have a day that's kind of tough  
We brush off and we get back up**

**We don't give up at Washington Grove  
Washington Grove**

**Everyone is special and that's really true  
We have the greatest teachers, and they will help us through**

**If we're different that's just fine  
Because we all can shine**

**So we'll try our best and we will play  
We'll show respect along the way**

**Because we're proud of Washington Grove  
Washington Grove**

**Washington Grove is the greatest school you see  
A place to share our goals and dreams, so come and roar with me**

**If we work hard each day,  
Then we can shout hooray!**

**Our minds can take us anywhere  
Good choices will help us get there**

**That's why we love Washington Grove  
Washington Grove  
Washington Grove  
Washington Grove is the place for you and me!**
