Juniors and Seniors: College visits in the College/Career Center begin on September 8. The list of colleges that have already scheduled visits is posted on the Family Connection website. To attend a visit, students also sign up on Family Connection. Remember to print out your confirmation page and get it signed by your teacher. If you are not registered on Family Connection, stop by the College/Career Center and see Mrs. Prochnow.

Attention students,

Summer reading tickets can be redeemed all week during STEP in Ms. Farmer’s office. No tickets will be redeemed at any other time during the day. Ms. Farmer’s office is in room B221.

The Chipotle lunch drawing will take place after all tickets from all classes have been collected, and after students receive school IDs next week. Good Luck!
Juniors and Seniors, just a reminder that college visits in the College/Career Center begin next week. Attending these visits is a great way to learn all that a college has to offer and a great way to show demonstrated interest if you are a senior who is applying to that school. Students sign up on Family Connection and then get their confirmation page signed by their teacher on the day of the visit. Juniors who have never been on Family Connection should see their counselor or Mrs. Prochnow this week.
