A Look Back...

Reading
- We continued reading fiction books and compared and contrasted the experiences of the characters. How are they the same? How are they different?

Writing
- We completed our opinion book review pieces and also practiced writing our opinions on other topics, the best present, favorite special, type of weather, etc.

Math
- We practiced solving story problems. We practiced a few different types (subtraction and addition). We used manipulatives, drew pictures, wrote number sentences, made a number line, and wrote in words to explain our answers. We should be able to show we are fluent thinkers in all types of strategies.

Science and Social Studies
- We talked about clothing from other cultures and the motion of push/pull.

A Look Ahead...

Important Dates to Remember
