GRADES

Formative/summative assessments
Practice/Learning Skills
Required Quarterly Assessment

Participation is expected of the student and will contribute to his or her progress in French.

In this class, we will do various types of activities, such as individual, partner, and group work. There will be oral, written and listening practice, daily warm-ups, and games to reinforce learning.
LATE / INCOMPLETE WORK

Homework assignments are due the next school day, unless otherwise indicated. If homework is not complete, you will receive a zero for that assignment. If it is incomplete, you will receive half credit.

If an assignment is turned in past the due date, but before the deadline, the student’s grade may be lowered no more than one letter grade or 10% of the grade. If the assignment is not turned in by the deadline, it will be considered missing and will be given a zero.

Missing work, that can still be turned in for credit, will be recorded in the grade book as a “Z”.

ABSENTEE POLICY

* YES, WE DID SOMETHING IMPORTANT WHILE YOU WERE ABSENT. It is the student’s responsibility to check edline to find any assignments missed. Also, students may email me to find out what their assignments were for that day.

Students may make an appointment to meet with me at STAR to get caught up.

Missing assignments should be completed within the amount of days that a student was absent, unless other arrangements have been made.

REVISION OF STUDENT WORK

Formative assessments or parts thereof may be retaken one time to raise a grade. The teacher will identify which assignments are available to re-do. The reassessment score will replace the original score.

Students must attend a help session or other requirement as announced by the teacher in order to re-do the assignment.
