Interested in being
a chaperone??

OUTDOOR EDUCATION

- October 2018 -

Interested in being a chaperone??

The JW Outdoor Education program is in need of adult volunteers to join us for their child's session to the Skycroft Conference Center in Middletown, Maryland! The program is not possible without awesome parents who can offer a helping hand!

Chaperone duties/responsibilities include:

- Attending instructional classes and evening activities.
- Staying overnight in a cabin with a group of students.
 - Monitoring and assisting with student behavior.
 - Engaging with ALL students.

If you are interested in helping to make this an unforgettable experience for our students, please email Alexa Serna **AS SOON AS POSSIBLE!** Free spots fill up fast, so act now!! 😊

★ *Due to the early dates of the program, all chaperones must have requirements fulfilled PRIOR to the first day of school, so please reach out right away!!!! ★
